

# GREENE TOWNSHIP SUPERVISORS

LOGANTON, PENNSYLVANIA 17747

## DISASTER EMERGENCY

*By order of the Greene Township Board of Supervisors*

The recent multiple rounds of severe storms with heavy rains producing rainfall at rates of between six and seven inches over the event hours of Wednesday, September 2nd into the early morning hours of Thursday, September 3rd, 2026 has caused severe flash flooding resulting in water rescue calls in Greene Township and throughout multiple townships within Clinton County and our neighboring counties. It has also resulted in mass flood related disasters resulting in massive damage to our infrastructure such as our roadways, drainage pipes, culverts, and bridges. Residents of Greene Township and neighboring municipalities as listed above have sustained substantial personal property damage resulting from this flooding.

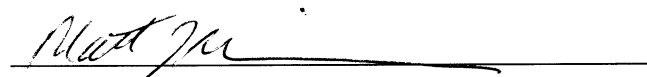

With so much damage to our infrastructure, for public safety reasons and the safety of the Road crew workers, Engineers, Supervisors, PADOT, PEMA, and County EMA Officials will be out and about in the upcoming days and even weeks to assess and begin work to sure up some of these severely damaged and compromise areas.

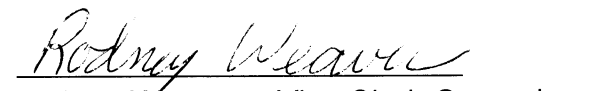

"Please refrain from sightseeing and driving around cones and barricades, and please be mindful and respectful of others property during this time"

If you see any issues or concerns that you believe have not been addressed as of yet , contact the Greene Township Office at 570-725-3938, or email [supervisors@greenetwpclintonpa.gov](mailto:supervisors@greenetwpclintonpa.gov). If you believe it to be an urgent matter please contact Supervisor/road master Rodney Weaver at 570-367-9375.

Always if there is an emergency, dial 911.

Thank you

  
Matthew Miller - Chairman - Supervisor

  
Rodney Weaver – Vice Chair-Supervisor

  
Justin Snook - Supervisor
